

Store Policy

Our Store Policy for returns of your Seedtoharvest.com purchase. Please see below for more information on our Return Policy.

RETURNS

All returns must be postmarked within seven business days (7 days) of the purchase date. For all returned items (excluding worn apparel, worn hats, used candles, used wax melts, perishable items, personalized products, sample products, enhanced and framed portraits, digital media, and online courses), the item must be new, unused, unwashed, in its original packaging, with tags, and labels attached. Must be able to verify proof of purchase. You may return the item by mail.

RETURN PROCESS

Return Merchandise Authorization (RMA) Policy

1. Introduction

This Return Merchandise Authorization (RMA) Policy outlines the procedures and guidelines to be followed by customers of (Seed To Harvest LLC) (referred to as "the Company") when seeking to return merchandise. An RMA number is required to initiate the return process. The objective of this policy is to facilitate smooth and efficient merchandise returns while ensuring accurate processing and customer satisfaction.

2. RMA Eligibility

Customers are eligible for merchandise returns under the following conditions:

- The merchandise is defective, damaged, or incorrect upon receipt.
- The merchandise is within the specified return period, as defined in the Company's Return Policy.
- The merchandise is accompanied by a valid proof of purchase.

3. Requesting an RMA Number

Customers seeking to return merchandise must follow these steps:

Contact Customer Support: Customers must contact the Company's customer support within the designated return period to initiate the return process. This can be done through email, or the Company's online customer service portal.

-

- **Provide Details:** Customers should provide details about the merchandise being returned, including the order number, item description, reason for return, and any supporting documentation (photos, videos, etc., if applicable).
- **Evaluation:** The Company's customer support team will evaluate the request and determine whether it meets the eligibility criteria for an RMA.

Issuance of RMA Number: If the return request is approved, the customer support team will issue an RMA number along with instructions on how to proceed.

4. RMA Number Usage

The RMA number serves as a unique identifier for the return process.

Customers are required to adhere to the following guidelines:

- The RMA number must be clearly written on the outside of the return package.
- The merchandise being returned must be securely packaged to prevent damage during transit.
- The RMA number must be included in all communication related to the return, including shipping labels and correspondence.

5. Return Shipping

Customers are responsible for arranging and covering the cost of return shipping unless otherwise specified in the Company's Return Policy. The Company recommends using a trackable and insured shipping method.

6. Merchandise Inspection and Resolution

Upon receiving the returned merchandise, the Company will:

- Inspect the merchandise to verify its condition and eligibility for return.
- Evaluate whether the merchandise is defective, damaged, or incorrect as reported by the customer.

7. Resolution Options

Based on the inspection, the Company will determine the appropriate resolution:

- **Store Credit:** If the merchandise is found to be defective, damaged, or incorrect, the Company will offer a store credit to be used on the website, for the same item or a suitable replacement.

8. Communication

Throughout the return process, the Company will maintain open and transparent communication with the customer, providing updates on the status of the return and the chosen resolution.

9. Modification of Policy

The Company reserves the right to modify or amend this RMA Policy as necessary. Any changes will be communicated to all customers in our Store Policy.

10. Conclusion

This Return Merchandise Authorization (RMA) Policy is designed to streamline the merchandise return process and ensure that customers' needs are addressed promptly and accurately. Adherence to the outlined procedures will help maintain customer satisfaction and uphold the Company's commitment to quality and service.
